30 January 2020

Re: Early Day Friday

Dear Parent/Carer,

Hunter River High School will continue an Early Day in 2020 (see below for additional information). School will conclude at 1.50pm every Friday. This will provide valuable professional learning time for staff to work on School Strategic Directions. Parents who would like their child to stay at school until the usual finishing time of 3.20pm, MUST opt in by signing and returning this note. Students whose parents have not opted for them to stay at school will leave school between 1.50pm and 2.05pm. Students who leave, are to abide by the following expectations, otherwise consequences will be issued. Students are;

- NOT to return to school at 3.20pm to catch their bus, if they need to catch the bus from school to get home they MUST remain at school;
- NOT to cross to highway unless it is for work, where they will need to bring a letter, signed by a parent or carer, alerting their Deputy Principal that this is the case; and
- expected to uphold our school values of Harmony, Respect, Honesty and Success at all times, especially whilst in school uniform in all settings.

Friday Afternoon Supervision:
The canteen will be operational for Break 2 as will our Playground Duty Roster. When Break 2 concludes, students who remain at school will be supervised either by the Senior Executive or by other teaching staff. Students will have access to our Library (including computer lab and iPads) for those wanting to complete homework or assessment tasks, or the playground for the remaining students.

Please return note to Admin 1.

Yours sincerely,

Deb Dibley

Principal

I request that my child _____ of year _____ remain at

school each Friday until 3.20pm. My child is aware that I have requested this and they understand that school

based consequences will be issued if they leave school before this time.
