

NEW E-VET COURSE 2018

Aeroskills | Hunter River High School

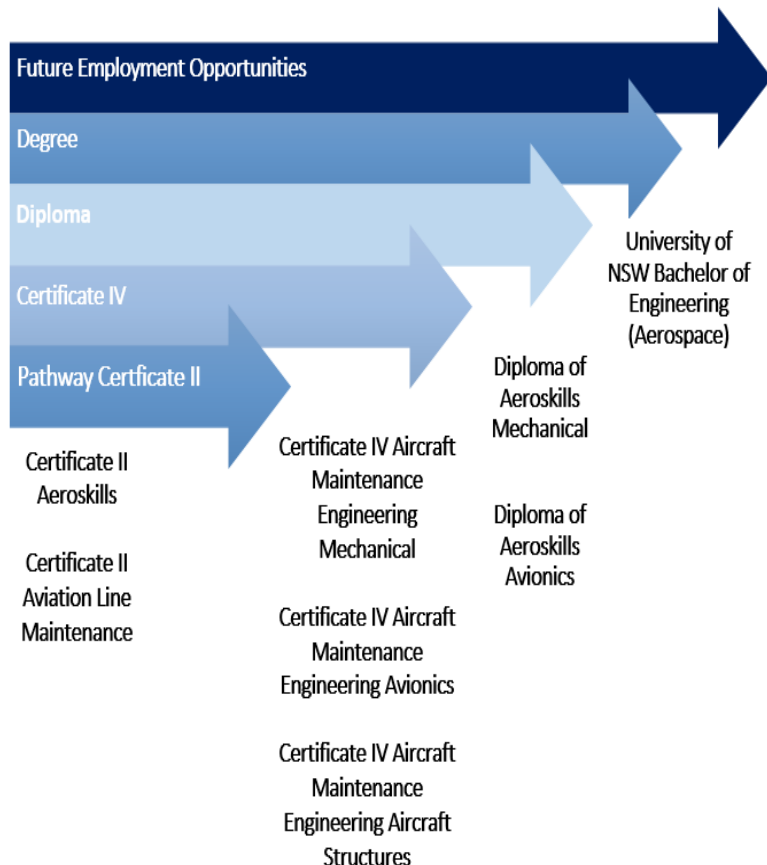

What are the Opportunities?

- Newcastle Airport is expanding to cater for international flights
- More jobs will become available in the aviation sector
- Joint Strike Fighter (JSF, F-35), Hawk Lead In Fighter has been recently awarded to the Williamtown area
- The classic and super hornet maintenance contracts have been recently awarded to Defence organisations in the Williamtown area
- New apprenticeship opportunities will be available to local school leavers
- HRHS offering a pathway to Certificate II Aero Skills in 2018

Benefits for Students at HRHS

- RDA Hunter and TAFE NSW are proposing that local students from the Hunter Region be provided with the opportunity to gain school based training in Aeroskills
- This NSW Educational Standards (NESA) endorsed course will provide the Hunter's young people access to the aerospace industry via a Certificate II Aeroskills Pathway in Year 11/12 through EVET and possible school-based traineeship pathways
- The Certificate II Aeroskills (MEA20415) will provide the Hunter's young people with the skills to perform repair and overhaul tasks on a limited range of electrical, hydraulic, pneumatic, electro-hydraulic and electropneumatic aircraft components
- Possible work placement opportunities to supplement learning
- Mentoring and support provided to ensure students can relate classroom learning to the workplace
- Site tours and industry experiences to complement this course

Opportunities for advancement in the industry will be enhanced with the core competencies from this Pathway Certificate II mapping directly to the following courses:
